## PORTFOLIO & CERITFICATIONS

- [linkedin.com/in/onumajnr](#)
- [bit.ly/-Certifications-](#)

## PROFESSIONAL SUMMARY

Self-motivated Computer Engineer and tech enthusiast with a strong foundation in front-end development and network systems. Proven ability to deliver user-friendly web experiences and resolve technical issues efficiently. Passionate about continuous learning and contributing to impactful digital solutions.

## TECHNICAL SKILLS:

- JavaScript, React, Tailwind CSS, Bootstrap, HTML, CSS
- Git & GitHub, API Integration, Network Troubleshooting, Excel Data Analysis

## SOFT SKILLS:

- Problem-solving
- Time Management
- Communication
- Attention to Detail

## PROFESSIONAL EXPERIENCE

**Transmission Engineer** | Huawei

03/2025 - Present

- Collected and analyzed packet loss data across multiple transmission links.
- Created and maintained an organized Excel-based database to track and log packet loss incidents, affected sites, time stamps, and resolution status.
- Conducted end-to-end trace routes and diagnostic testing on site routers to pinpoint the root causes of transmission anomalies.
- Drafted and submitted detailed technical reports summarizing findings, root causes, corrective actions, and recommendations for long-term network stability.

**Frontend Developer** | TechCrush

09/2024 - 01/2025

- Delivered high-quality code by adhering to established coding standards and performing thorough unit testing prior to deployment.
- Stayed up-to-date with emerging technologies and programming languages, applying new knowledge to stay ahead in a rapidly evolving industry.

- Worked with developers to identify and remove software bugs.
- Participated actively in code review sessions, offering constructive feedback to peers to ensure optimal performance of software applications.

#### **IT Support Specialist | Gregory University**

11/2021 - 04/2022

- Enhanced system performance by conducting regular software and hardware updates.
- Diagnosed and repaired hardware malfunctions, ensuring optimal computer functionality.
- Performed routine maintenance on computer systems, ensuring optimal performance and extending the life of equipment.
- Performed installation, maintenance and repair for complex internal computer hardware and various software applications.

#### **IT Support Specialist | FF Computers**

04/2018 - 06/2018

- Tested and installed motherboards, processors, and graphics cards on desktops and laptops for corporate staff.
- Explained technical information in clear terms to non-technical individuals to promote better understanding.
- Monitored systems in operation and quickly troubleshooted errors.
- Assisted customers with technical support inquiries.

### **EDUCATION**

- Abia State University, Abia State  
**Bachelor of Engineering:** Computer Engineering 09/2022
- Premier International Secondary School, Abia State  
**National Examination Council (NECO)** 06/2017
- Cornerstone Academy, Abia State  
**First School Leaving Certificate (FSLC)** 10/2011

### **PROFESSIONAL CERTIFICATIONS**

- **Frontend Web Development**, ALX Africa 04/2025
- **Frontend Web Development**, CWW Tech Africa 11/2024
- **Professional Foundation**, ALX Africa 09/2024
- **Certificate of Membership**, The Nigerian Society of Engineers 09/2021
- **Occupational Safety and Health Supervisor**,  
OSHAssociation UK- Nigeria 09/2021
- **HSE Competence Development Training (Level 2)**,  
Institute of Safety Professionals of Nigeria (ISPON) 09/2019
